

Robots race at

RIT

FIRST Robotics competition goes into
“overdrive”

FIRST

For Inspiration and Recognition of Science and Technology, is a unique varsity sport of the mind designed to help our youth discover how engineering and technology can be interesting, rewarding and fun. Students representing 40 high schools, will participate in this year's Finger Lakes Regional Robotics Competition, March 7 and 8 at Rochester Institute of Technology. This year's theme - "overdrive" - will pit teams head-to-head on a unique racetrack.
